UPMC HEALTH PLAN

## Fast. Convenient. Affordable.

UPMC AnywhereCare is an online e-visit experience and a great new way for employees and their families to get immediate care for common medical conditions. **How does it work?**

### It's as easy as 1-2-3.

- 1** Employees or any family member can log in to UPMC AnywhereCare through **www.UPMCAnywhereCare.com**.
- 2** Describe symptoms in a brief questionnaire.
- 3** Then receive a personalized care plan and a prescription, if needed, from a UPMC provider — *usually within 30 minutes.*

UPMC AnywhereCare is only available to users age three and older in MD and PA and eDermatology is only available to users age three and older in PA.

## Benefits of UPMC AnywhereCare

Employees and their families will receive the most appropriate treatment that gets them back to feeling well ... fast. UPMC AnywhereCare providers can also make referrals to other treatment options should their condition require it. They can even have a summary of their e-visit sent to their primary care provider.

**Need a prescription?** The UPMC AnywhereCare provider will send an employee's or family member's prescription information to the pharmacy of their choice right away.

### Benefits include:

- One more way to access great health care
- Less serious conditions get taken care of before they become more serious
- Less time off work because an e-visit takes minutes rather than hours
- More peace of mind, resulting in better job focus
- Typically costs less than a primary care physician office visit

### When to use this service

UPMC AnywhereCare works best for common conditions such as:

- Colds and flu
- Sinus infections
- Coughs and sore throats
- Back pain
- Pink eye
- Urinary symptoms

## NEW! eDermatology for skin conditions

- Get treatment for conditions such as rashes, bug bites, acne, eczema, and psoriasis
- Bypass the average wait for a dermatologist
- Get a response from a UPMC board-certified dermatologist within three business days
- Typically costs less than a specialist office visit - and never more than \$49.
